Accounts: Study all AS from D.S RAWAT and do handful of pm questions which are important, and which you might have marked while solving pm just do that. And refer class notes if you have for some more questions as practice its well and good. Law While doing it simultaneously with accounts you must finish either the small acts (poga, poba and miscellaneous provisions act) OR ethics communication.Then on the day of accounts exam start with contract act, finish it and rest. Next day start with the remaining portion of the two either ethics and communication or with small acts and finish it till evening and after that start with CO's act. Costing this is the lengthiest paper of all in terms of revision as you have to prepare for both costing and financial management. Start with theory on the law papers day. Finish the theory of both costing and FM, if you can't, don't panic complete one chapter like standard costing or marginal costing and theory of costing OR if you like FM then start with FM theory complete it and one chapter from FM like capital budgetingMy advice do theory of both first complete it on the day of law exams and rest as you must know theory in this paper comes for 32 marks and you have frat chance of scoring in it as the questions are from books only you must refer the pm for theory and sums both (costing). For financial management pm is best for theory. Sums you can practice from anywhere either from classes book or publication books.The Best Recommended Articles:CA CPT Accounts Notes pdfCA CPT Accounts Kiran GuptaCA CPT Accounts CA Ajay RathiCPT Accounts Notes PDF English DownloadCpt Accounts Law Mock Test Paper 1CPT Accounts Previous year question papersCPT Accounts Solved Question papersCPT Accounts Question papers with SolutionCPT Accounts Question PapersAt CAKART (www.cakart.in) you will get everything that you need to be successful in your CA CS CMA exam – India's best faculty video classes (online or in pen drive), most popular books of best authors (ebooks, hard copies), best scanners and all exam related information and notifications.
